Dear Governor Nikki Haley,

Just wanted to say I am honored to have known you and your family back in the days of Exotica in Bamberg. You and your family have been in my prayers since we first met.

It has been a joy to watch your personal progress with the Lord and also to see how the Lord has blessed you and is using in such a powerful way for His Glory.

I have kept you in my prayers and will continue to do so as you face your greatest challenge. You are here "For such a time as this"!!

May the Lord give you wisdom, peace, and direction as you stand for America & Israel at the UN.

You are truly a Daniel now for America. It is an honor and a privilege to know you & your family.

my ongoing prayers,
Esther & Jerry Axson

Daniel 2:20-23

P.S. My love to your family Also!
