See below and attached for my response to Rep. Bales' phone call this morning. I think what we offer is pretty fair.

Vivian,

As a follow-up to my phone call, please see attached document with the discounts offered in SC State Parks. Representative Bales requested that I forward this information to you. As you will see, we offer quite a few discounts to a select group of SC residents already. As a matter of interest, all fees generated in SC State Parks are used for maintenance within the State Park System.

Please let me know if we can be of further assistance to you or Representative Bales.

Best regards,
Toni
