Linda Nunez No problem! The Rangers there are great also. If you are wanting to book any cabins in the peak season or on holidays it's best to do so ahead of time. Especially for summer and the Fourth of July. There are hiking trails also and the park store has a great view of Lake Marion

Cheryl Werner Spent many a vacation in this park. Great for canoeing, fishing, dockside camping. Huge catfish in that lake. The cypress bog is the best, by kayak or canoe.
