Hi Pam,

As I mentioned to you Friday, Tony offered two options, as it is not viable to place participants on the state employee payroll. His thoughts are: 1) ask one of the AAAs to work with you on handling the payroll or 2) hire/contract with a payroll service. Tony also inquired as to whether there is money available in the grant to cover the charges for a payroll service?

Hopefully this provides some information for you and we can certainly meet with Tony when he is back in the office.

I've copied Tony so that if there are any errors in relating the information he will correct me.

Thanks,  
Anne

Hi Tony,

Pam needs some guidance in how to bill for services that are being executed outside of the one partner that is participating (e.g., Pam has worked with the adult education system for implementation; she simply needs to know how to manage their billing). Then, how are we going to pay Experience Works participants who are involved in the limited competition activities as there is no sub-grantee?

Thanks,  
Anne
