Katherine,

Good afternoon. I am sorry to hear that our meeting today is to be canceled.

Regarding this email, I have not made any changes or additions ( have not completed the addresses) as I was waiting on direction. Please let me know if you just want me to emails the spreadsheet as is or if you'd like our team to complete it. If complete, it'll take a couple of days - we stopped after all the easy to get addresses were populated.

Jennifer

Jennifer,

We should have a draft invite list for the FGI by January 1 so you can then plan accordingly.  
Can you email me the most current populated invite list?

Hope all is well. Maybe you, me and Amy can grab holiday glass of wine before Christmas.  
Thank you,  
Katherine

**Subject:** Draft Invitee List

Attached please find a draft / suggested invitee list. I've included the PowerTeam / Santee Cooper's suggestions as well. We are still working to finish populating address and emails and are happy to keep working on that but I wanted you to have this for your meeting.

I think we may have another key couple of announcement prior to the event so we may want to consider including those. We would like to invite prospects as well and would come up with a list of those in February.

Also, as I mentioned in a previous meeting, Commerce plans to invite people down for just the Heritage and activities surrounding that if they aren't on the FGI list. Please let us know how many and who from this list is on the FGI invite list so that we may work on inviting the others.
