Subject: State Disaster Recovery Coordinator

Tomorrow we are announcing Shwedo as the SDRC. Becca and I have arranged a briefing tomorrow at our office for Shwedo from FEMA and EMD in the position. Holly and Josh - you can come too to help us answer the questions below.

We need help on the following issues which I believe Becca has talked to Holly about and I've touched on with Josh:

(1) an Executive Order to appoint Shwedo and set out his role and responsibilities. Becca is working on this.

(2) how to deal with the personnel issues for Shwedo as DMV head. He should leave that position temporarily (1 year possibly). Do we need to appoint new DMV head or have an acting head? I believe Shwedo wants to make is #2 the acting head. Holly -please advise.

(3) how to pay Shwedo for the new position. He will need to hire his team. How do we pay for them? At this time, we don't expect him to need to hire very many people - maybe just 2. But his team will likely grow. Could we borrow employees from over agencies? Josh - please advise.

Shwedo will report directly to the Gov. FEMA and EMD will be his partners in the recovery effort.

Becca - am I missing anything?

We'll need to get answers to these questions tomorrow please.

Thanks!
Swati
