## CROSS COUNTRY FLAG

[www.USFlagPetition.com](http://www.USFlagPetition.com)

The first American flag in history to be hand-carried  
"from sea to shining sea" on foot by a veteran.

Tennessee Pastor and Vietnam Veteran Walter  
"Chick" McGill carried "Old Glory" on his shoulder  
3,242 miles on a National Prayer Walk from Kill Devil  
Hills, NC to Santa Monica Pier, CA, taking 233 walk-  
days, beginning April 23, 2014 and ending April 29,  
2015. Join the campaign to have this historic flag  
enshrined in the National Museum of American  
History by signing the US Flag Petition online.

Pastor McGill's motivation for undertaking  
this shonorable task, the first of its kind in  
history, was to preface a "new birth of  
freedom and integrity" in America. In  
light of the historical and cultural  
significance of this unique event, we  
request your support of the acceptance  
of this American Flag for display in the  
Museum Archives of the Smithsonian  
Institution with a letter of endorsement.
