2016 Tri-County Housing Summit: The Economics of Place

Thursday, June 16, 2016 | 10:00 AM - 2:00 PM
Trident Technical College, Center for Economic Development
7000 Rivers Ave. Building 900
North Charleston, SC 29406
\$20 Tickets, Lunch Will Be Provided

Join South Carolina Community Loan Fund for the fourth annual Tri-County Housing Summit to continue the conversation on why housing matters to the long-term economic viability of the region, and how we can move our efforts to increase the availability of affordable housing forward. Space is very limited so reserve your seat today. Ticket sales end Wednesday at noon.

Joe Minicozzi, principal of Urban3, LLC will return as the summit's keynote speaker this year. Urban3, an Asheville-based consulting firm, seeks to empower communities with the ability to promote development patterns that secure a community's fiscal condition while reinforcing a stronger sense of place and to provide a deeper understanding of this environment by measuring data, visualizing results; and digging deeper into policies' effect on the built environment. Minicozzi will help us further explore the economics of place by presenting a 3D representation and analysis prepared by his team for the Tri-County Region.
