Thanks for getting back to me.

If any changes in her schedule and should there be an opening in the evening please let me know.

Happy to focus on the hurricane and give it the coverage it deserves.

Many thanks.

Thank you for reaching out.

The governor does not have any availability right now. You are welcome to stay in touch to see if that changes.

As a background note, the governor is focused on the potential impact of Hurricane Matthew on the state. In light of that, she would not have any interest in talking about any politics, including the vice presidential debate.

Again, thank you for reaching out. Let us know anytime we can be resources.

Good evening - I wanted to check with you to see if Gov. Haley would be available tmrw evening in the 7p hour to talk Hurricane Matthew. Preparation, protocol and expected damage. May ask a question or two on politics and VP debate but mostly on hurricane coverage.

Let me know if she's available.

Thanks so much.
