Quote from Governor Nikki Haley, "Obamacare continues to be a disaster for our health care, our economy, and our budget. In South Carolina, we will continue to work around it as best we can, finding better ways to make health care more affordable and give patients more choices. I continue to support our federal delegation's efforts to replace this terrible law."

Hi, this is Margaret Newkirk at Bloomberg News. Does the governor have any statement on today's Obamacare exchange subsidy ruling? And, if so, could I get a copy?

Thanks, MN, Bloomberg News
