Im just curious my husband has a cargo trailer and I have always wanted a camper. We cant afford a camper right now so I was wondering are you allowed to sleep in a cargo trailer?

I'm not sure Kim. Please contact the park you are interested in camping at or our park operations office at 803-734-0156.

I seen a video of a silly walk zone sign and loved it. I was wondering if one of the parks could have one. They just video taped from a distance the silly walks people did after seeing the sign.
