Mr. Tony Kester, State Unit Director  
South Carolina Lieutenant Governor's Office on Aging  
1301 Gervais Street, Suite 350  
Columbia, South Carolina 29201

Dear Mr. Kester:

The Waccamaw Regional Council of Governments respectfully requests an extension for the submittal and presentation of our 2014-2017 Area Plan. The amount of time given for the writing of this plan given the range of changes in State Policies and Procedures has been a challenge. Our Board of Directors will meet on June 10<sup>th</sup> and the Area Plan will be on the agenda for discussion and approval at that time. There are many areas in the plan that the board needs to fully understand. There may be additional comments or changes based on our discussion with the Board.

We ask that submittal of our plan occur on June 15, 2013, giving our staff additional time to make any changes that the Board deems necessary.

Please respond with your answer by email, given that the current deadline is Monday, June 3<sup>rd</sup>. If you have any further questions or concerns, please give me a call at 843-546-8502.

Sincerely,

A handwritten signature in black ink, appearing to read 'Sarah P. Smith', written over a circular stamp.
