Ted,

Thanks so much for your time today  
discussing the many shortcomings of  
SCDOT. It is an inefficient, unaccountable,  
& rigid entity that is holding South Carolina  
back. That said, I will commit to be part  
of the solution moving forward. Time is of  
the essence.

The background of the image is a deep blue with a fine, grainy texture. In the lower portion, there are several overlapping, semi-transparent geometric shapes in lighter shades of blue, creating a sense of depth and movement. These shapes appear to be facets of a larger, unseen structure, possibly a stylized landscape or a complex architectural element.
