Dear, Haley

I am writing a state report and I pick South Carolina. So far I have learned many amazing facts about South Carolina and I am hoping you can give me more information. I also learned that South Carolina was the first to secede from the Union in 1860; the first shot of the Civil War were fired at Fort Sumter, in Charleston harbor. Also South Carolina hosted a performance of the Colonies first opera, in Florida, in 1735. And in SC people grow tobacco, cotton, shrimp, and chickens.

Whatever you can send me about SC would be great help for my display, as well as the written part of my report. Thank you very much Governor Haley, and I am looking forward to hear back from you.

Sincerely,
Emily Martinez
