Hi, Christian. Thanks for the Friday call. It sounds like you had a great holiday and are energized back at work. We look forward to the opportunity to work with you more specifically on PFS. I was impressed with Rhett's direct and probing questions on Friday on programs, savings and funding.

I am emailing and linking in with Tony Keck to seek a personal get to know meeting. Lets see what develops over the next few weeks. I put a lot of importance in knowing the people you work with in person.

Talk soon. Rick
