## 2015 Major Flood Report Statewide Operations

(8:00 AM- REPORT)

October 24, 2015

**Statewide Summary** – SCDOT Operations opened 4 more roads and 1 more bridge since this time yesterday. Seven (7) day a week and 12 hour shifts continue in recovery areas. There are now 55 roads and bridges under contract for repairs.

SCDOT (construction group) and FHWA damage assessment teams continue to work to manage and expedite ongoing contract repairs in accordance to FEMA requirements.

Fifteen (15) counties have been assigned a SCDOT debris removal contractor. The counties where contractors are working today are:

- Dorchester
- Sumter
- Richland
- Georgetown
- Clarendon
- Horry

**119 Crews working on road and bridge closures**

**Drivers are required to use extreme caution in areas where crews are working.**

803	Maintenance Employees Working on Road and Bridge Closures
1583	Maintenance Employees Working on Storm Related Damage and Routine Maintenance Operations*
135	Roads Closed Due to Flood Event (See attached closure list) This number includes <b>36 bridge closures</b>

**There were 140 road and bridge closures yesterday.**

**\* Note that work continues towards complete restoration even when roads are open to traffic.**

**There are presently 15 locations where Primary Roads are Closed.  
(see report attachment for details.)**

**SCDOT Headquarters**

Engineering continue to facilitate recovery operations and manage debris removal by contractors.

The Call Center is operational. (855-GO SCDOT) 855-467-2368 **If the road is covered with water, “turn around, don’t drown”.**
