Subject: CIO Customer Newsletter

Happy Holidays! The CIO's December newsletter can be found at
<http://www.myscgov.com/newsletter/ciocs/200411339337765.625.html>

Some of the highlights include:

2004 Report to our Customers

This report highlights accomplishments for 2004 and talks about some of
our plans for upgrading services this year.

CIO Holds Video Conference for Military Families

In collaboration with the Air National Guard, the Adjutant Generals
Office, and Applied Global Technologies (AGT), the CIO held a video
conference for families of servicemen of the 151 Aviation Unit.

CIO Assists MUSC & Children's Miracle Network Radiothon

The Medical University of South Carolina (MUSC) Children's Hospital and
Children's Miracle Network partnered with Coast 92.5 radio station for
the second annual Coast-A-Thon December 2-4.

Johnson Named CIO

Larry Johnson has been named State Chief Information Officer by Budget
and Control Board Executive Director Executive Director Frank Fusco.

K-12 Network Expansion

In November 2003, the K-12 School Technology Committee began a process
to expand the wide area network for South Carolina school districts.

Video Teleconferencing--Now Is the Time!

Video Teleconferencing is a fiscally proven method for conducting
business in the K-12 school environment.

Video Conferencing Rates

Details video teleconferencing costs.

City of Orangeburg Uses Output Management

Recently, the CIOs Output Management Division completed a print job for the Data Processing Division of the City of Orangeburg. With the help of the CIO, the City of Orangeburg was able to save time, resources, and money on this job.

Bluezone--Secure 3270 Access to the Mainframe

Bluezone is the TN3270 emulator that the CIO licenses. It uses 128 bit SSL encryption technology. It allows users outside the states private networks to have a secure way to access the mainframes via the Internet.

Reverse Auction Services Contract Awarded

The Information Technology Management Office (ITMO) has awarded a contract to Orbis Online for Internet-Based Reverse Auction Services.

Have a safe New Year's Eve/Day!
