Subject: Re: FOIA

Arrigo,

You are openly breaking State FOIA law by not answering me. You are breaking County Ordinance in your illegal Minimum Standards by denying me a hearing as stated in your Ordinance. You have denied me speech and time in front of County Council, violation of the US Constitution.

I asked only for what is due per law.

1. Produce the 112 Ordinance Violations that you have stated you sent to the FAA, which no one has seen and a business was closed down because of them.
2. Set a date for the Hearing with the Dept of Airports.
3. Set a date for address in public with the County Council.

Awaiting your answer

Aaron
