

Dear Governor Haley,

Hello. My name is Tori Flanigan, I am 9 years old. I go to Graysville Elementary. Our County is named after Nathaniel Greene and the Jack town Fair it what we are known for.

I don't know much about South Carolina, but I have some questions.

What is it like to be governor?

Do you have kids?

Is your State old?

What was your first job?

What is your biggest car?

Do you have lots of people?

Thank you for reading My letter. It would be nice if I would hear back from you. If you would like to visit our town, come to the fair this summer. It has been running for 150 years straight!

Love,

Tori Flanigan
