Smart Cities Week newsletter

**September 15 - 17, 2015, Washington, D.C.**

---

**Come to Washington, D.C. Sept. 15-17 and help make history!**

For the first time ever in the U.S., Smart Cities Week will bring together forward-thinking leaders from government and industry for a major conference and exhibition focused on smart cities. Come add your voice to the growing movement to build more livable, workable and sustainable communities.

Make history, [register now](#).

**Learn, share and get inspired to shape  
your city's future**

Part inspirational, part educational, you'll walk away from Smart Cities Week with ideas and knowledge that you can put to use right away in your own community. The two-day Strategic Program features multiple tracks, each loaded with timely, topical sessions and expert speakers. **The four tracks are:**

- Transforming City Environments
- Engaging Citizens
- Managing Sustainable Resources
- Reinventing Processes and Systems

**Innovation at city hall? Hear from insiders who have been there, done that**

Don't miss your chance to hear how cities are creating a culture of innovation that extends from city hall out into the community at large. Among the many exciting speakers you'll hear at Smart Cities Week are **Nigel Jacob**, Co-Founder of the City of Boston's Office of Urban Mechanics and **Deborah Lam**, Chief Innovation Officer for the City of Pittsburgh.

For a European perspective, you won't want to miss **Pedro Ortiz**, former deputy mayor of Madrid, World Bank consultant and author of *The Art of Shaping the Metropolis*.

**We're welcoming three new sponsors: Leidos, Enevo and AutoDesk**

Here are three more examples of the high-caliber companies supporting smart cities week:

**Leidos**, a future-focused firm that provides trusted solutions to smart infrastructure challenges, has joined as a Platinum sponsor.

**Enevo**, an innovator bringing smart solutions to the waste management and recycling space, has signed on as a Gold sponsor.

**AutoDesk**, a leader in 3D design, engineering and entertainment software, is our newest Silver sponsor.
