Honorable Nikki R. Haley
Governor of South Carolina
Columbia, SC 29201

Dear Governor Haley,

As you might expect I have heard a few speeches in favor of military bases, against cuts and against BRAC decisions. I heard you today. You were the best.

I recently retired for a second time and moved to Columbia for some of the reasons you cited. If you think there is some way I might help, please call on me. A brief biography is attached.

Sincerely,

A handwritten signature in black ink, consisting of a large, stylized 'P' followed by 'G. Gaffney II'.
