Subject: [Last Day for Early Rate] Falcone, Ram Realty & Trillist Discuss Florida's Outlook

While hit hard by the financial crisis in 2008, Florida's multifamily market has not only recovered, but is booming with a strong development pipeline across the region. Where exactly are we in this cycle? What role does the global recession play in a region largely driven by foreign investment? How does the supply of condos and rentals stack up against the demand in this fast growing area?

Hear from [Winthrop Management](#), [Ram Realty](#), [Falcone Group](#), [The Trillist Companies](#) and [Moss & Associates](#), as they discuss the economic trends impacting the Florida multifamily housing market. Learn how some of the area's most influential developers, owners and investors have survived the booms and busts and what they're doing to proactively shift gears in anticipation of what's next at the 5th annual [Florida Multifamily Summit](#) on Thursday, September 22.
