"...It is so good to hear from you my Faithful Sister and to hear the update. I wish that I was out there to be on the battle field with you. You are an awesome General and I am so glad that you are on our side and not the other way around. I have full confidence that the victory is at hand and none of your labor of love will go to waste. You are without a doubt a special person chosen by the Father Himself for such a time as this. I look forward to seeing you very soon my sister.
