Re: FOIA Request

Dear Mr. Wyatt:

Your FOIA request received by the Director on September 19, 2012, was referred to this Office for a response. Accreditation of these providers is done by separate organizations, and not by this agency. However, enclosed are two (2) lists showing the status of the enrollment application to participate in the Medicaid program as a Rehabilitative Behavioral Health Service (RBHS) provider. We believe these may be in line with your overall request. There may be some discrepancies between the two (2) lists as they are updated frequently.

We do not capture the number of agency referrals to RBHS providers, but we can generate a list of actual paid claims submitted under the various agency authorizations. We estimate that such a report will cost about \$150.00 to set up and run. Please let me know if you would like us to run this project.

Our expense for extracting, reproducing and mailing the information enclosed is eleven and ninety hundredths dollars (\$11.90). Please make the check payable to the Department of Health and Human Services and send it to:

Department of Health and Human Services
Department of Receivables
Post Office Box 8297
Columbia, SC 29202-8297

Please contact me if there are any questions. My direct is (803) 898-2791.

Sincerely,

Richard G. Hepfer

Re: FOIA Request

Dear Mr. Wyatt:

Your FOIA request received by the Director on September 19, 2012, was referred to this Office for a response. Accreditation of these providers is done by separate organizations, and not by this agency. However, enclosed are two (2) lists showing the status of the enrollment application to participate in the Medicaid program as a Rehabilitative Behavioral Health Service (RBHS) provider. We believe these may be in line with your overall request. There may be some discrepancies between the two (2) lists as they are updated frequently.

We do not capture the number of agency referrals to RBHS providers, but we can generate a list of actual paid claims submitted under the various agency authorizations. We estimate that such a report will cost about \$150.00 to set up and run. Please let me know if you would like us to run this project.

Our expense for extracting, reproducing and mailing the information enclosed is eleven and ninety hundredths dollars (\$11.90). Please make the check payable to the Department of Health and Human Services and send it to:

Please contact me if there are any questions. My direct is (803) 898-2791.
