As you know the inland port is on the way to Dillon. We would like to give the governor a chance to make comments on the inland port and the impact that you feel it will have on Dillon and the Pee Dee area.

Please e-mail me your comment by 10 a.m. on Wednesday, September 14, if you would like to be a part of this article which will appear in our Thursday, September 15th issue.

Thanks,
