

Dear Governor Haley Haley

First of all let me tell you I pray for you and all the leaders in S.C. and our nation. I am sure your job can be very stressful as every rewarding at times. Our state as well as our nation has really grown down hill in the last eight years. We have a government that don't believe life begins at conception, that marriage between two men or two women is right, and now to add to down hill our government is saying a person who has changed their looks to be able to use a bathroom by the way they look. Gov. Haley you are a very smart woman, so I know that you know that any body change the way they look on the outside. Man can grow long hair, have breast implants, wear make up

and wear women's clothes, "Women  
can do the same, cut hair, like a  
man, wear men clothes and things  
out like the other sex, but that  
don't make it right, they can  
change the way they look, but  
they cannot change the way  
they are created in the inside.  
A woman is still a woman.  
A man, still a man in the  
inside not matter how they can  
their looks. So that you will  
not accept the fatherly role in  
let a person use the fatherism in  
their looks but in the truth  
gender, I don't want to walk into  
a bathroom with a man that  
looks like a woman, but sounds  
like a woman. You may  
be comfortable with the  
and don't take me at an  
equal opportunity, off to  
Alone, but if you are  
the woman is hope you

are you will support this bill  
for the person to use the bathroom  
of their birth certificate. Our leaders  
have taken everything they can  
take that God says is wrong. God  
says he did not make a mistake  
when he created man a man or  
woman a woman. Looks don't change  
what's on the inside. Be a  
governor that will stand for  
right and not stand for any  
law that is against God's law.  
Yes S.C. may lose some of the  
Hollywood crowd that don't  
know which end is up, but I  
can promise you we will be  
a better state without that  
kind of money. Hollywood  
does no wrong in  
anything as long as it  
will bring money in to  
support their life style.  
God says he is bigger  
woman than that.

Sorry about my  
paper that all  
I had at the  
time

# Don't Quit

When things go wrong, as they sometimes will,  
When the road you're trudging seems all uphill,  
When the funds are low, and the debts are high,  
And you want to smile, but you have to sigh,  
When care is pressing you down a bit,  
Rest if you must, but don't you quit.

Life is strange with its twists and turns,  
As everyone of us sometimes learns,  
And many a failure turns about,  
When he might have won had he stuck it out;  
Don't give up though the pace seems slow,  
You may succeed with another blow.

Success is failure turned inside out,  
The silver tint of the clouds of doubt,  
And you can never tell how close you are,  
It may be near when it seems so far;  
So stick to the fight when you're hardest hit,  
It's when things seem worst  
That you must not quit.

Governor Haley:

My heart is so heavy today and so troubled at the way our state is going. My heart breaks for the families of those people in Orlando. They did not deserve to die like they did. They were the daughters, sons, grand daughters, grand sons, sisters, brothers, maybe even fathers or mothers of some one. The ones hurt and wounded needs someone to love them and to show them the truth. 49 lives taken out into eternity never to have the chance to know the truth of the word of God. 53 still have that chance, yes God loves these people, but be sure of this God hates sin no matter what it is. It can be the sin of hate as well as any other sin. America has taken God out of everything they can and now S.C. is doing the same thing. Governor Haley I pray for S.C. and our country every day and I pray that someone would be bold enough to stand for what God says is right and Gods law even when it goes

against man's law, You have done  
a lot for S.C. but will you be the  
one who says no to ungodliness or  
will you go along with the crowd.  
You have a very hard job and I  
understand that, but do you want to  
be popular with the people or to be  
right with God. To read the book of  
Ester and see how unpopular she was  
with Haman, but stood for what was  
right and see how God protected  
the people. Gov. Haly, you could be an  
Ester or you can be a Haman. Yes  
love people, help people, but also see  
the sin of people and tell them God  
loves them but not their sins, not even  
the governor's sin when she won't  
stand on the word of God. Gov.  
Haly lets put S.C. on the  
path to standing for God's  
way regardless of what  
man may say or do. Yes  
you will have many come  
against you, but who has  
you rather be for you God  
who can save you soul and  
body or man who can only  
destroy your body. I would  
love to talk to you in person but

I know that won't ever happen, but  
I can still pray the Holy Spirit  
will get hold of your heart and  
convict you and let not rest or  
peace come to you until you get  
things right with God and get in  
His word and let God be your  
guide and then S.C. can have  
a Governor that not of S.C. can be  
proud of but America can be  
proud of. May God have mercy  
of your soul.

I don't hate you I love you but  
I want our Nation and  
I want S.C. back.

Gov. Haley
