Hello,

Thank you VERY much for your kind and prompt reply.

I must say: the receptionist answering the telephone in your office was the most pleasant person I have spoken with in weeks. J

I must come and visit your lovely state soon.

Have a great day.

Hi Kris-

Unfortunately the governor does not have any availability at this time, however I'm happy to let you know if that changes.

Importance: High

Good afternoon,

I am a producer for News Talk Radio 580 CFRA in Ottawa, Canada's capital.

We would dearly like to please speak with Governor Haley this afternoon on our journey home radio program.

Evan Solomon is the host of Question Period, the Canadian equivalent of Meet the Press, which airs nationally.

He also quarter-backs our afternoon program on Ottawa's top Talk Radio station.

I have personally followed the career of Governor Haley very closely and I would LOVE to have her join us on our program this afternoon to talk about her new appointment.

We are live from 2 PM to 6 PM Eastern time and we would only need about eight minutes of the Governor's time.

Thank you very much for your kind attention to this matter and I hope you have a wonderful Thanksgiving.

Sincerely,

Kris
