Subject: URGENT! FWD: I need you to open this

Friend,

We have received an enormous amount of support today and I am truly grateful.

Our goal of raising \$15,000 is almost complete, but we are still a little bit away. **If you can chip in just \$10, I know we can do it.**

Can I count on you to be one of them? Click here to help out!

Your support is greatly appreciated,

Tim

I'm glad you opened this e-mail because we are just \$500 away from reaching our goal for the quarter.

We are closing in fast, but we could use your help to get there. **So now that you have opened this e-mail, can you do me a favor and click here?**

You see, after midnight tonight we can no longer raise money for this quarter. That means that whatever we raise by midnight is how much we have to report. This will be public information, and trust me: **the Democrats are watching.**

If we don't make a strong showing, they will know, and they will plan accordingly. **So help me tell them that South Carolina is off limits from their power grab with a small contribution of just \$10.**

Thank you,

Tim Scott
