## South Carolina State Parks

at 12:21:07 on 4/19/2021 UTC

Congratulations to Myrtle Beach State Park, recently awarded the Small Business of the Year Award by the Myrtle Beach Area Chamber of Commerce! We're super proud of receiving this award during these unprecedented times and we're so thankful for our staff who keep the gates open each and every day! Congratulations to Park Manager Troy Crider and the entire Myrtle Beach State Park staff! [www.myrtlebeachsp.com](http://www.myrtlebeachsp.com)

**Beverly Oller Livingston** Congratulations! My husband and I live in MB and frequent the park quite often. We went down last Monday and was so disappointed with the pollution on the beach from the weekend. People need to remember this is a state park not a dumping ground! Also I think weddings and parties should be monitored. Quite often after a wedding there are artificial flowers, streamers, balloons, etc left behind on the beach. Permits should be required with the instructions none of the above are permitted. We must think of our feathered friends and sea life and their safety. Please consider these suggestions. Thank you!

PS...smoking should not be permitted on the beach...filters are always littering the beach.
