Mike Gleason is a Beaufort county employee who works in the tax assessors office . It seems they are now trying to find dirt on me with the lawyers and local government officials . Mr Gleason has accused me of being a crook and thief . Why and by who told him this or asked him to blog this . The plot thickens now in corrupt Beaufort county , with many questions and answers needed . Mr Gleason , Mayors and others have crossed the line .

This Mike Gleason character is obviously another one of Bill Miles' and David Tigges' stooges and cronies.

With every passing day, I better understand why SC is nationally regarded as the most corrupt state in the U.S.

I wish it would secede from the Union again -- and this time be allowed to go!

Seems I now have another lawsuit with damages against this Gleason person accusing me of fraud below in screen shot . Seems I am going to profit from all this abuse to me now , and this was not my plan . Legal fees and damages perhaps will mount from all this on both Mayors as well . Imagine the Governor and many state leaders are watching now and concerned where all this is headed . Perhaps an emergency summit and
