Gavin,

Did the P&C send someone to the governor's public event today?

Hey guys,

I saw the governor has weighed in on Facebook about President Obama's announcement on Gitmo. Will the governor have any other statement regarding this? Our D.C. correspondent is looking for more information for a daily story.

Also, just wanted to double check and see if there was any progress on my earlier request involving roads.

Thanks y'all,

Gavin
