If we would like the book to get stamps for visiting the state parks, is that still possible?

Yes, stamps are located at kiosks and other outdoor locations. That info can be found on each park page, of the website, just below the large photo. [www.SouthCarolinaParks.com](http://www.SouthCarolinaParks.com)

We can collect the books there as well?

The offices are closed, so you may not have access to books. You may ask at the admission booth for a book. It will all depend on the park. Offices are slated to open around May 11. You can also order one online at [www.SCParkStore.com](http://www.SCParkStore.com)
