Katherine, thanks for note. The "Jones family" too had great time and enjoyed taking in a few hours of Heritage festivities with you, Beca, Tim, et al. Jack definitely "all-in" for next year. Always good to have "seasoned veterans".... who know the event and venues ...show around the rookies! Glad the Gov and her team were able to stop by the box as well.

Thanks again and hope to see you this Friday at the signing event.
