To whom it may concern
I am writing on the behalf
of my hearing about my
social security. I have already
been on one hearing. I am
waiting on another one. They
say it is pending. It been almost
3 years and I haven't heard nothing
yet. I stay with my Aunt and
she on a fix income. She can't
keep taking care of me for nothing.
I am not able to work. If I could
I would, I have heart problem,
breathing. and I take steroid shots
in my back. I have 2 pins in my
left foot. I don't want no one
to do for me, but sometime I
have to get help. I also take
to blood pressure pill because
it's up & down. I want to
know what going on with
my hearing. I have my lawyers
from Florida. But they aint
doing nothing I think. I was
in the U.S. Army I am Honorable

Discharge. I was born in Bamberg
S.C. I finish high school from
Bamberg Ehrhardt in 1981 I live
in Spartanburg, S.C. now with
my aunt. I just want to be
relieve from all of this. Thank
you for taking time to hear
me.
