The new **Fall Prevention Pocket Planner Calendar** from American Custom Publishing (ACP) is a cost-effective senior health education resource with key fall prevention information that older adults will see every day of the year.

The 2017 calendar features monthly health tips and special health reference pages that focus on helping seniors prevent falls. All calendar content was reviewed by fall prevention experts.

Calendars are personalized with your local program information using our **popular front cover business card holder**, or based on quantity, your own custom full-color front and back calendar covers!

ACP's 2017 *Senior Health Pocket Planner Calendar--Fall Prevention Edition* is the only calendar of its kind that is fully "CMS-compliant" -- meeting all CMS/Medicare guidelines for sales/marketing, communications, and senior health/wellness priorities.
