Please help talking for Curtis Crummie

Yes I had just wrote about
my spouse being in prison, now
he ~~a~~ has been moved to Ridgland

And he is not getting to go
through the Drug program the
~~the~~ judge order for him.

He even told me you can
get all kind of drugs inside
the prison. They send a
person to jail to get away
from drugs, and their drugs
in jail, And he said he
is stavin, they dont get enough
food. And in jail ~~a~~ ~~add~~ to

Buy snacks, Candy, Tee shirt
you have to be rich. They
make a lot of money on
a person in jail, The state
pays for every person in jail,
and then the person in jail
pays 3.00 for a snack cake

yes I know people do wrong
But what is the state
doing the people in prison
My spouse Curtis Cummie
is in Rigeland prison, he is
very sick, he said he is
starving not enough food
Not getting to go through
his drug program the
Judge order, he needs
help he needs to be
move where he can get
to go to drug program
Maybe I should go to
WIS TV let every know
how people are treated
in prison, NO wonder people
kill there selfs in jail

Thanks
M. Cummie
