We now have two requests for interim magistrate appointments: Cherokee and Clarendon (Judge Percy Harvin served in a part-time position and his resignation/retirement was effective July 31, 2015).

Procedurally, should I make an interim magistrate appointment the same way as I would an interim statewide appointment? Just create the appointment with an "interim" designation and send copies to the Senate Clerk's office and the Delegation?

We can make an interim appointment since the vacancy occurred during the recess of the Senate. We still need a Senatorial delegation recommendation.

Martha,

I'm actually not familiar with the process. I'm checking with our Legal Counsel and will be in touch with you as soon as I know what the required steps are.

Thank you for letting me know.

Katie: We had a Cherokee county magistrate that quit on us. We have a new person - I have his completed application. Will you remind me of the process to get him going during this time when the Senate isn't in Session?

Thanks!
