Office of Governor
1200 Senate Street, Suite 104

Dear Governor Haley,

Thank you for your kind response to my letter. I sincerely believe you can help me with this problem.

As I explained before, my life was almost destroyed in a near fatal accident, and I am not able to work. I receive Social Security Disability but did not receive an increase this year. Because I live alone, I try to live as cheaply as possible. I receive \$16.00 per month in Food Stamps, but that doesn't go far. Everything is going up!!! My rent has increased \$70.00 per month, and HUD (section 8) is not accepting applications now. Medicaid and increasing my Social Security Disability would help my situation. Please make an exception for my case. I am desperate!!! I feel sure you can help me. Please call me @ your earliest convenience at (843) 437-9857. I should have the phone turned

Thanking you for your kind assistance,
I remain,

Sincerely,

Ms. Sondra Shankey
