The attached 1 pager answers Roddie's questions on Real ID.

I had a conversation with Director Laganelli this morning on this, so let me know if you have any questions.

Subject: REAL ID Inquiries

All,

Please disregard my last/redundant email on REAL ID. We are starting to receive some inquiries on REAL ID. SEN Davis' Office in Beaufort has reached out to us asking for an update. Unless you have objections we'll use this document. Some of their questions revolve around whether SC will be in compliance with REAL ID by the end of 2016. Without a change to 56-1-85, that won't happen...

Regards,

John

Austin,

I thought I had sent this prior to the New Year, I just saw it in draft in my email. Apologies for the delay. We are starting to get inquiries on this topic. Most recent is Senator Davis' office in Beaufort, which has received multiple questions regarding the Real Act Id and our state driver's licenses. We haven't

responded yet to his inquiry pending any feedback on this document.

Per your request attached is a short rundown on where we are with respect to REAL ID in SC. The Bottom-Line is we have met most requirements but in order to be in compliance, as a state, we would need to 1. Change the expiration of our non-commercial licenses and IDs to a max of 8 years (requires legislation). 2. Require all personnel applying for a new or renewed license or ID who haven't renewed since 2010 to bring ID's, birth cert, SSN, etc. to the DMV for verification. 3. Requires us to mark our ID and DL with a HLS approved marking (Gold Star or variant). 4. Requires rescinding 56-1-85 (requires legislation).

If you have questions, fire away. I've cc'd Annie Phelps who has worked REAL ID since the Federal Legislation came out.

Regards,

John
