All my conversations were with Jane Page but I assume this is the lady she was trying to help start the Adult Daycare in Aiken.

Hi Kevin! Jane Page said you might be coming to Aiken next week. I hope to see you if you do. I still have not worked through the DHEC process but I may not want to. I'd like to talk with you about the new business model and how it relates to the Caregiver Respite Grant program. Our conversation will determine the course of my business future so I need to talk with you soon! I didn't want to call unannounced and I don't have your email so I'm very unprofessionally texting you . Please call me as soon as you have a few free minutes! Thanks! Karen
