

CDCA DEFENSE SUMMIT

Powered by Technology,
Energized with Community

8 Aug 2017

The Honorable Kevin L. Bryant
Lieutenant Governor of South Carolina
State House, 1st Floor
Post Office Box 142
Columbia, South Carolina 29202

Dear Lieutenant Governor Bryant,

On behalf of the Board of Directors of the Charleston Defense Contractors Association, CDCA, I respectfully invite you to address our 11th Annual CDCA Defense Summit at the Charleston Area Convention Center, 5-7 Dec, 2017. Our theme this year is "*Powered by Technology, Energized by Community*".

We feature government and industry speakers, and presentations of relevant defense industry and SSC Atlantic government programs to an audience of over 1,300 professionals. This Summit will again highlight technologies, engineering, and integrated solutions that SSC-Atlantic, federal agencies and other military services provide.

We warmly welcome your participation on any day of our summit, and would be honored if you would consider welcoming our Department of Defense community to South Carolina on the morning of 6 Dec. 2017? In addition, we would love to have you join us for Speakers reception that same evening where you will enjoy our South Carolina Lowcountry hospitality, as well as our cooperative culture between government, industry and professional associations.

I sincerely appreciate your consideration of this invitation, and I look forward to working with your staff to make this a productive trip for you. I am ready to provide any additional information you desire, and look forward to hearing from you.

Very respectfully,

A handwritten signature in black ink that reads "C. M. Holt".

Cynthia Holt
Brand Evangelist/Operations Executive
