Subject: RCRC board meeting

Richland County Recreation Commission and where we are:

1. Hearing Scheduled November 30, Wed. at 10. Blatt Building Room 110
2. Two hearing officers are decided on, Ashley Cuttino and Derrick Williams
The Governor needs to pick a third hearing officer, Dewey or Tommy Lydon.
3. We have created notebooks containing evidence in support of each charge. These will be delivered to the Judges Monday.
4. We will deliver packets of the same documents Monday to the RCRC Board members. They have a Board meeting Monday night when the liaison between the RCRC and the Board will deliver them. Two of the seven RCRC Board members have resigned. It is possible more will resign after the Board meeting and receiving the evidence packets.
5. Hearing Procedures are drafted and will be delivered to Judges and Board members.
6. I will provide a statement at the hearing regarding the charges and evidence in support. Then the board members will provide statements of their own and any information they wish the panel to have.
