Hi Austin,

I'm asking Frank Skaggs my Director for Disaster Field Operations to loop in Michael Lampton who is our Disaster communications director out of Atlanta. We can also connect you with Alana Chavez who is in the state at the JFO.

We can provide a disaster fact sheet and any other information you may feel you need.

Thanks,

James Rivera

Associate Administrator

Office of Disaster Assistance

James,

I'm looping in our Communications team - Rob, Chaney, and Bryan. I would like to arm them with information about SBA services that we can use to amplify your message and help it reach small businesses. Do you have a one pager they can chew on and integrate into the Governor's message? Will you also connect them with your communications folks?

Thanks,

Austin
