Thanks – what time will you release the audit today? We have budget briefings to come up, and this may come up. I don't want to break the embargo, though. Any chance it will be lifted by 10:30? Thanks.

Christian, Josh:

As I think I mentioned to you, we are releasing our review of the Arts Commission on Wednesday, June 26. It is my understanding that you do not want a formal briefing. We will drop off a copy of the report and summary at the Governor's Office tomorrow morning. Please bear in mind that it is confidential until its release Wednesday. Let me know if you have any questions. Thanks.
