Dear Governor Haley,

On Friday, February 27th you were in Graniteville, SC attending a ribbon cutting ceremony for the Recleim plant. Enclosed you will find a picture taken that day of you and my father, Jimmy Williams (aka Papa). I would like to thank you for your kindness and for taking the time to speak with my father. He was thrilled that you were gracious enough to take the time out of your busy schedule to not only speak personally with him but to also allow a photograph. This Sunday we will be celebrating his 73rd birthday. He is a strong man of faith that has always shown respect and love for his family, state, and country. It would be an honor if you would kindly consider signing the enclosed picture. (just a "happy birthday or best wishes Papa/Jimmy" would be appreciated) I would love to present it to him either as a late birthday or Father's day present. My Dad has built himself a "man cave"; here he displays collections and sentimental objects he has fond memories of. I know that he would not only be proud to have this picture signed but would also enjoy seeing it for years to come.

I appreciate the honor you have brought back to the Office of Governor and wish you many successful years to come; both professionally and personally.

Sincerely yours,

A handwritten signature in cursive script that reads "Lynn Williams Sawyer". The signature is written in dark ink and is positioned above the printed name.
