---

Can you comment on how much Aiken County was approved for or only that they are now eligible for funding?

Public Assistance for Storm Damage, Response Costs Approved for Six Additional Counties  
Federal Aid Will Help Local Governments Recoup Costs

COLUMBIA, S.C. – Public Assistance was approved by the Federal Emergency Management Agency for six additional South Carolina counties to help them recover from October's severe flooding. This assistance from FEMA enables state agencies, local governments and certain private non-profits to recoup costs for storm response, debris removal, and infrastructure damage.

Four counties, not previously eligible for FEMA Public Assistance, have now been approved for all categories: Aiken, Calhoun, Dillon and Greenwood Counties. Further, Charleston and Lexington Counties are now eligible for all categories of the FEMA Public Assistance program; before now, these two counties were only eligible for debris removal and emergency protective measures.

The FEMA Public Assistance program categories are as follows:

- \* Category A: Debris Removal.
- \* Category B: Emergency Protective Measures.
- \* Category C: Roads and Bridges.
- \* Category D: Water Control Facilities.
- \* Category E: Buildings and Equipment.
- \* Category F: Utilities.

\* Category G: Parks, Recreational Facilities and Other Items.

The FEMA Public Assistance program is a reimbursement grant program. Typically, the federal share is 75 percent and the state or local governments pay the remaining 25 percent whereas eligible private non-profit groups are responsible for the full 25 percent.

Beyond FEMA's Public Assistance program, FEMA also provides Individual Assistance, which is direct aid to residents who've been severely affected by severe storms and flooding in South Carolina. Flood survivors in Bamberg, Berkeley, Calhoun, Charleston, Clarendon, Colleton, Darlington, Dorchester, Fairfield, Florence, Georgetown, Greenwood, Horry, Kershaw, Lee, Lexington, Marion, Newberry, Orangeburg, Richland, Sumter and Williamsburg Counties can register with FEMA the following ways:

\* Apply online at [www.DisasterAssistance.gov](http://www.DisasterAssistance.gov).

\* Apply via smartphone at [m.fema.gov](http://m.fema.gov).

\* Constituents may call the registration phone number at 1-800-621-FEMA (1-800-621-3362); those who have a speech disability or hearing loss and use TTY, should call 1-800-462-7585 directly; for those who use 711 or Video Relay Service (VRS), call 1-800-621-3362.
