Marcia,

Attached is the plan to deploy the new Camera workstations/printers and for keeping this equipment current. I plan to meet with Rolf and Philip and flush out the details for this, but this is the overall approach. We will also be sure to work with Sharon Madison and her staff to coordinate training. Let me know if you have any questions.

Jimmy,

Here is a stab at an executive summary of the DLIPC plan for Marcia. Please let me know if you want to sit down with Rolf and I to go over this. Also, please let me know if you think it needs any additions or changes.

Philip
