Good morning, Matthew:

I'll connect with Monty this weekend so we can be prepared to send a document detailing the phase-in concept after we consult with the defense team on Monday. Enjoy the weekend...hoping we'll get rain to wash away some of this pollen! Best, Becky

Good afternoon, Matthew, Ira, Sue and Steve:

While it was our intention to send you a proposed Phase-In document this afternoon, we will be unable to do so until Monday. While the DSS team worked hard to finalize a draft after communications with Judy and Paul and sent it to us this earlier afternoon, neither Monty nor I have had a chance to review. Monty had left for the day when it arrived and I've just finished a conference call. Therefore, with my apologies, we'll be unable to provide until Monday. We appreciate your consideration as Monty and I want to review and confer again with the defense team before production. We hope you all have a wonderful weekend. Becky
