NIH Hosts Workshop to Examine Multiple Approaches to Understanding and Preventing Elder Abuse

By Nora Super

In discussions and comments received as part of the 2015 White House Conference on Aging (WHCOA), researchers, practitioners and other stakeholders highlighted the lack of research focusing on elder abuse as a major barrier to creating evidence-based solutions and developing policies that promote elder justice. Despite growing awareness of elder abuse, there remain significant evidence gaps in detecting, preventing, and intervening in elder abuse. [[MORE](#)]
