Subject: Request for Interview with Gov. Nikki Haley - July 21st or 22nd.

Dear Ms. Adams,

Nicole Franklin (creator of the Little Brothers Series www.LittleBrotherFilm.com you can see more about her here as well www.NicoleFranklin.com) and I (<http://www.cinemastreet.net/about.html>) Dana Offenbach are coming to Charlotte on July 20th and 21st to collect research material via videotaped interviews for our untitled documentary on the status of race relations in our country. We are more specifically looking at why people of different races fear each other.

As I'm sure you know, Gov Haley's call to remove the Confederate Flag from the State Capitol building is incredibly heroic and we would REALLY like to speak with her on camera. We can do this in 30 minutes and if only allowed 15, we would take it. We will prepare our list of questions and send it to you in advance, and we will work with the governor to make sure she is comfortable with our questions. We will make ourselves available at any time for this.

Being that this is a female driven documentary, having an interview with the governor would mean a lot to us, both professionally and personally.

Looking forward to your thoughts.

Dana
